

# KIDS CHURCH @ HOME

## JANUARY WEEK 3

"*Rejoice always.*" - 1 Thessalonians 5:16

**Do you ever find yourself celebrating when you finally get to the end of something?** We can hit the "Hallelujah" button after a hard week, a long drive, a tough school assignment, paying off the credit card debt from Christmas, for a person talks our ear off on the phone, etc...

**Our Kids Church lesson is on PRAISE.** Praise works amazingly in canceling the noise of the world, protecting our hearts, and bringing us closer to God.

### MEMORY VERSE:

Psalm 8:2- "*Through the praise of children and infants you have established a stronghold against your enemies.*"

### DISCUSSION TIME:

- 1) *What are some things we can say/speak aloud that make for praising God? (Example: "I love you Jesus!")*
- 2) *In the Bible story of the Walls of Jericho in Joshua 6, it was Israel's shout that brought the walls down. What does that teach us about praise?*
- 3) *Is it possible to praise God even when we are having a bad day or going through something hard? If so, why and how?*
- 4) *Do you have a favorite worship song? Why is it your favorite?*

### ACTIVITY TIME:

1. **Quiet Time**- Choose a day this week where you are going to slow down and use your voice at a lower level. Here are some things to try:
  - Take 15 minutes to sit in your room doing nothing other than talking to and thanking God.
  - At dinner have everyone talk in their lowest voices. See how much you hear and understand. This will be fun!
  - Let others in your family GO FIRST. Whether that is sharing how their day went, choosing what to watch/what game to play, or using something in the house.

### WORSHIP TIME:

Have a praise party at your home and in your hearts!
